Pastor’s Closing Word

Benediction
1Now faith is confidence in what we hope for and assurance about what we do not see. 2This is what the ancients were commended for.

3By faith we understand that the universe was formed at God’s command, so that what is seen was not made out of what was visible.

4By faith Abel brought God a better offering than Cain did. By faith he was commended as righteous, when God spoke well of his offerings. And by faith Abel still speaks, even though he is dead.

5By faith Enoch was taken from this life, so that he did not experience death: “He could not be found, because God had taken him away.” For before he was taken, he was commended as one who pleased God. 6And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him.

Managing your Digital Legacy: How to protect your assets and your loved ones in the digital afterlife
Featuring the Tech Savvy Lawyer, Michael D.J. Eisenberg

Saturday, February 27, 2021
12:30 p.m. - 2:00 p.m.
(Via Zoom)

We have made some great memories over the years. Some are recorded in pictures and videos. Our bank accounts and finances are on the web, and our movies, files, and other items are in digital format. What we don’t like to think about is what is to be done with all of our “stuff” after we are gone. Many of us have wills to leave our family and friends our tangible items.

- Have you thought about how your digital legacy will be distributed?
- Have you thought about how your automatically renewing memberships will be turned off after you die?
- If you have one e-mail account, you likely have over 100 different types of accounts associated with it. Don’t let your valuable digital assets get lost on the internet!

Once registered, you will receive credentials to join the Zoom web session.
